

CEE KNOWLEDGE and the COSMIC FUNK ORCHESTRA

OFFICIAL SINGLE RELEASE

Release Date:
March 25th

"BANDITS"

Cee Knowledge & The Cosmic Funk Orchestra is a funk and hip-hop group lead by its namesake, Cee Know the 'Doodlebug' of the Grammy winning jazz-influenced rap group Digeable Planets. Their new album, "To Life, Love, & Loot" is set to officially release in the Summer of 2014.

The new single, "Bandits" is CFO's reminder that we all have a 'bandit on the run' inside of us. Cee and his band creates an ethereal sound blending both acoustic and electronic instruments, ghostly vocals, and authentic hiphop grit from the streets of Philly.
