### Superhero Camp

Why wait for a super powered lightning bolt to hit you? You can create everything from your backstory to your costume to your powers in a weeklong superhero training camp. Create a Batman to your Bruce Wayne, a Wonder Woman to your Diana Prince. Discover your powers, design the world's greatest costume, and begin your training. Learn everything from detective work to parkour, combat training, first aid, conditioning, and more.

### Zombie/Wilderness Survival Camp

Run and fight for one week as you prepare for a Zombie Apocalypse! You will learn how to outsmart, outrun, and outfight the zombies as you join together with your fellow survivors. By learning everything from first aid to combat, you will not only survive, but thrive. Your wilderness skills will include water and food finding and shelter making so your will have the safety and time to work on your headshots. Will humanity survive? Will you?

### Mocking J Wilderness Survival Camp

Subject yourself to the reaping and test yourself in the Games. In our one-week camp, your name will be entered into a lottery to discover which district you are from. As you learn about your home, you will begin your training. Learn the difference between edible and lethal plants, know how to find water and make it safe to drink, discover the best places to find shelter, enjoy weapons, conditioning, and strength training. Will you be a victor?

### Renaissance/Pirate Camp

Shiver me timbers and bury your booty cause Infinite Potential's Pirate and Renaissance Camp is settin' sail! Go back in time to the enchanting world of pirates, knights, traveling gypsies, and daring duels. Try your hand at sword fighting, acrobatics, and archery. Climb, costume, and curse like a Shakespearean.

### Spy/Ninja Camp

Silently and swiftly moving across rooftops, hiding in the shadows or disguised in plain sight, wannabe ninjas and spies alike are welcome to our stealth, flexibility, and combat training. We will practice sword fighting, balance, martial arts, knife throwing, archery, decoding ciphers, and the art of fingerprint analysis
