PRESS RELEASE

ACET ACHIEVES ISO 9001:2008 and ISO 20000:2011 Certification

Waldorf, Maryland May 29, 2014 - On May 19, 2014 the QAS International certifying body for the International Organization for Standards (ISO) certified ACET for compliance with ISO 20000:2011 for IT Service Management and issued the registration certification document. This achievement follows the certification of ACET on December 13, 2013 for ISO 9001:2008 Quality Management.

These are highly sought after designations in the IT Services Community which represent the following of best practices for Quality, Service and ITIL processes by service providers in the IT Service industry worldwide.

ISO is an international standard-setting body composed of representatives from various national standards organizations around the world that are recognized by the industry and Federal Government agencies.
