**FOR IMMEDIATE RELEASE**

### **Community Tax of WI adds Small Business Lending Division (Wisco Financial Services)**

**Sheboygan, WI:** Today, Rick Gaumer of Community Tax & Accounting of Wisconsin has announced the formation of Wisco Financial Services which expands the firm's business development services to now include business loan sourcing for start-ups, expansions and the acquisition of existing businesses through an affiliation with Vernon Street Capital of Roseville, California. Types of financing available include commercial mortgages, construction loans, lines of credit, and business acquisition loans.

The Wisco Financial team includes former bank executives, former controllers and CFO's, former educators and an exceptionally experienced staff. The firm will continue to offer business plan preparation and review and business counseling services to area businesses as well as traditional tax and accounting services.

According to Forbes and Bloomberg 8 out of 10 entrepreneurs who start businesses fail within the first 18 months. Says Gaumer, "Our focus is on supporting profitable business models by solidifying proven revenue streams. We provide business consulting and financial support services for both the very smallest enterprise on up to the \$100 million corporation."

Initial consultations are available at no charge. Commented owner Rick Gaumer, "Our business services are unmatched in the accounting community. We have over 50 years of experience helping businesses of all types and sizes achieve their full potential."
