TSI Touch Receives Samsung Smart Signage Award For Healthcare Installation of the Year

InfoComm 2014, Las Vegas, June 24, 2014 – TSItouch has been honored with a Samsung Smart Signage Award for Installation of the Year in the Healthcare industry at InfoComm 2014 in Las Vegas.

The Installation of the Year award recognizes ProAV projects for the approach used to solve particular technological challenges and the positive impact the solution achieved within one of five industry categories including Education, Food & Beverage, Healthcare, Retail and Corporate

“Samsung is pleased to honor the most innovative and successful proAV partners and deployments through our annual Smart Signage Awards,” said Richard Hutton, director of channel marketing at Samsung’s Enterprise Business Division. “Digital signage has evolved considerably in the past year and these awards honor the partners and projects at the forefront of smart signage innovation.”

“It’s an honor to be awarded for doing what we do best,” said Gary Mundrake, President of TSItouch. “TSItouch is committed to providing the best touch solutions, service and support to Samsung and all of our business partners.”
