**Tranzon Driggers Vice President becomes Licensed Auctioneer and Real Estate Broker in Georgia — company expands service area**

---

Ocala, FL, July 30, 2014 -- Jon Barber, a Vice President with Tranzon Driggers, recently became a licensed auctioneer and real estate broker in the state of Georgia.

These licenses add to the real estate broker and auctioneer licenses that the Tranzon Driggers team holds in Florida and Alabama. Earlier this year, Mr. Barber celebrated his 30-year anniversary as a Florida broker, completed studies and graduated from the Reppert School of Auctioneering, and earned the prestigious Certified Auctioneers Institute (CAI) designation from the National Auctioneers Association's premier training program.

Mr. Barber's Georgia licenses allow Tranzon Driggers to expand its service area. Jon said, "This accomplishment puts the company one step closer to being the leader in the accelerated sale of real estate and substantial assets in the Southeast U.S."

Jon will continue to focus on identifying potential opportunities to serve the asset disposition needs of existing and future clients in Georgia, Florida, and Alabama.

Tranzon Driggers is a member company of Tranzon, LLC and Tranzon International, LLC. Tranzon is one of the largest real estate auction companies in the country, with over 30 offices coast-to-coast. Tranzon's accomplished auction professionals are widely recognized as leaders in the auction industry. All Tranzon companies are independently owned and operated.
