

ARIS REIGNS: The Kingdom of Vampires **Arrives From BroadLit**

He Has Loved Her For Centuries, But Can the Immortal Aris Save Sarah From His Evil Rival?

LOS ANGELES (September 25, 2014)—Can true love survive a war between the Immortals and the Kingdom of Vampires? Will psychologist Sarah Hagan finally choose her love for Aris over her mortal life? *Aris Reigns*, the third and final novel in the new THE INFINITY DIARIES vampire romance series from BroadLit, answers these questions and so much more. The book, now available for purchase, has been released to all major online book retailer sites as of September 23, 2014. Excerpts are available on TruLOVEstories.com.

Picking up from where the first two novels, *Aris Returns* and *Aris Rising*, ended, the contemporary heroine of this series, Sarah Hagan, must decide whether to pay the ultimate price so that she can fully consummate her love for Aris, a new bloodline of vampire with a centuries long past.

Aris has taken over the human body of one of Sarah's patients so that he can once again be close to the only woman who has ever captured his heart. If Sarah chooses to become an Immortal Vampire, she must also find the strength to fight a vampire war that could literally destroy everyone and everything she holds dear.

Author Devin Morgan answers all the fascinating questions posed in the first two novels in this final novel: Did Sarah and Aris' love first ignite during the reign of Henry the VIII when Sarah was the handmaiden at court, Elizabeth Wyatt? Is the stunningly handsome DeMarco evil enough to murder the only woman he has ever truly loved? Can Sarah find a home in Aris' Catacombs? Will she take up arms to fight for her Immortal love? Will Sarah be with Aris for all eternity?

The novel celebrates "We Love Vampires" month on BroadLit's hub site, www.trulovestories.com. “In book one, *Aris Returns*, we meet the ancient vampire. *Aris Rising*, book two in the trilogy, answers key questions about Aris and his human love, Sarah. We learn if the High Council exonerates him, allowing him to return to his life in the Catacombs. We discover Aris and Sarah have sworn enemies determined to destroy them. And still to come in book three of the trilogy, we find if Sarah chooses to give up her human life to become an Immortal, to share eternity as Aris's mate. So, the story continues,” says author Devin Morgan.

The third novel in THE INFINITY DIARIES series is available for purchase (at \$8.99 ebook, \$14.99 paperback) on all major e-retailers, including Amazon, Barnes & Noble, Kobo, as well as on AllRomance.com and on Broadlit's own branded romance hub TruLOVEstories.com. All BroadLit books are distributed by Perseus Books' Constellation Services. The first two novels in the series are also available for purchase on all these same sites.
