Boost creativity while exploring a classic or unprecedented NYC location, such as along the Hudson River (its many piers), High Line (Chelsea), Flatiron district (Madison Square Park), Carl Schurz Park, East River, Roosevelt Island, Governor's Island, Harlem Meer, East Harlem, 125th Street, Ward's Island, Grand Central, City Hall, Bryant Park, Times Square, Columbus Circle, The Ramble, Bethesda Fountain, the nooks and crannies of Central Park, Greenwood Cemetery, Coney Island, and more.

Sessions are available year-round for small group urban photo experiences, private technical instruction, and creativity building team bonding sessions. Please inquire about your own customized program designed for your needs. To reserve: please email preferred session dates to [amusepro@me.com](mailto:amusepro@me.com)

Group day sessions are offered throughout the year on Sat or Sun, with night photography on Wed evenings; specialty sessions on *iPhoneography* (for smartphones, iPads & basic point-and-shoots), and holiday classes are available, such as *Magic in the Moonlight* (Fri night photography), or *Shot in the Dark* (Sat night) for experimental photography after dark. Sessions are weather dependent (rescheduled for inclement weather). Schedule is updated monthly. NYC Spark Your Creativity meeting coordinates and accompanying details (photo packet pdf) are provided upon registration and payment.

## the photo experience

With a dslr, point and shoot, or iPhone, you work alongside a pro photographer and seasoned New Yorker, on location, in the greatest city in the world. NYC Spark your Creativity with its concentration on boosting creativity also gets you off the grid to see NYC with fresh eyes.

During a 2.5-3h urban photo experience with hands-on technique, participants experiment with the rule of thirds, work with negative and positive space, and explore personal vision. At each session participants are encouraged to integrate a minimum of 4 technical and aesthetic practices for improving their images of people, places, and things.
