

**Treetop Quest will open a new  
Treetop Obstacle Course & Zip-Lining  
in March 2015!**

**Atlanta, January 27<sup>th</sup>, 2015** - As one of the most unique, family-friendly adventure courses in Georgia, Treetop Quest is touted as a new genre of educational, adventurous, and environmentally responsible recreation. Treetop Quest Dunwoody will open this March at Brook Run Park, in Dunwoody, GA and will showcase no less than 52 obstacles and 12 zip-lines in 4 courses. In addition, the park will include a Net Trampoline, which is the first of its kind in Georgia and a low ropes course for children of age 6 and under, called Kiddie Quest. The park also includes picnic tables and birthday party areas.

At heights up to 55 feet above the ground, and zip-lines stretching more than 200 feet, Treetop Quest boasts ample adrenaline spikes for the thrill seekers, with specialized preliminary training and experienced guides to reassure the most apprehensive. All this aerial prowess will be done in a highly secure environment through a continuous lifeline system that keeps you hooked for the duration of the course.

Treetop Quest already operates a similar successful park in Buford, GA since September 2011. Treetop Quest is an initiative of the French company "Groupe Altiplano." Owing six such parks in France and one in Canada, this company will be responsible for the design, the installation and management of this new entertainment space. Altiplano plans to open eight parks in the United States and Canada within five years, an investment of nearly five million.

"Treetop Quest is glad and proud to partner with the City of Dunwoody for the venue of our second park in Atlanta Metro Area. We are really excited about that new park and looking forward to welcoming family and individuals through a great and fun experience at Brook Run Park", said Julien Hatton, US development manager for the Altiplano Group.

"The City of Dunwoody Parks & Recreation Department is very excited to partner with Treetop Quest in offering a new and exciting activity in Brook Run Park. With the addition of this amenity we hope to make our park a premier destination to enjoy the outdoors", said Brent Walker, Dunwoody's Park and Recreation Manager.

Treetop Quest US Development Manager Julien Hatton and the Regional Director of Operations Cloe Amara will be present at the construction site to discuss this project Monday February the 2<sup>nd</sup> and Tuesday the 3<sup>rd</sup>.
