The MCS Group Names Loren LaQuintano Executive Vice President of its Management Services Division

PHILADELPHIA, Pa., – The MCS Group, Inc., a national provider of outsourcing solutions, announced today that Loren LaQuintano has been named executive vice president of its Management Services division.

LaQuintano has more than 25 years of industry experience, and specifically 21 years of experience with MCS as their vice president of operations.

"I am extremely grateful to have been chosen to lead the Management Services division of MCS," said LaQuintano. "Having spent twenty-one years of my career building our reputation of integrity and platinum service, I am excited to now play such an important role in furthering our growth."

In this new role, LaQuintano will continue to handle all operational and administrative functions, and will now additionally assume responsibility for the overall business development and strategic planning for the Management Services division.

About The MCS Group, Inc.

The MCS Group, Inc., a certified Women's Business Enterprise, is a nationally-recognized provider of outsourcing services. For more than 35 years, the company has served law firms, insurance companies, corporations, government agencies, and educational institutions with cutting-edge technology and a comprehensive breadth of services including records retrieval, deposition, e-discovery, facilities management and back office solutions to help increase productivity while reducing operational costs.
