About Lotz Renovations Inc.

My insistence on the perfect remodel extends to how I treat you. For example, I absolutely HATE sales pressure. I once had a vacuum salesman in my home pitching his product to me for almost 3 hours. I eventually told him he needed to leave—I just couldn’t take it anymore.

The truth is that I can’t stand high-pressure pitches and salesmen who just don’t take “no” for an answer. That’s why I am completely honest and upfront with you. I won’t beg, haggle, and tell you only what you want to hear just to win the job. **YOU call the shots.**

Because of my passion for helping people, **I remain a remodeler by choice.** If you’re looking for a remodeler who truly cares about your project—and who respects your time, money, and home, please contact us!
