

The checkout has evolved.

Continuing to lead.

Over a decade ago, PayProTec revolutionized the payments industry by introducing free equipment placement and saving merchants from expensive hardware costs. Today, our commitment to cutting-edge technology has only grown stronger. That's why we are proud to introduce the first and only free tablet placement solution in the business – PayAnywhere.

PAYPROTEC

2005

Founded in 2005, PayProTec is headquartered in Warsaw, IN with over 50 employees.

\$3b

We process over \$3 billion in credit card transactions annually.

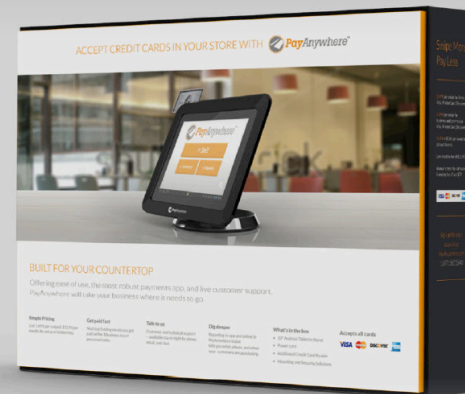

25k

Serving over 250,000 satisfied merchants nationwide.

The new standard.

While other cloud-based tablet solutions hinder your sales with expensive equipment costs and complicated pricing models, PayAnywhere's free 10" tablet, stand with built-in card reader, and enterprise app have started a payments revolution that will change the payments landscape forever.

Free tablet

Swipe in style with a free 10" tablet for dynamic, touch-based transactions and a seamless checkout experience.

Free stand

Sleek and sturdy stand with built-in credit card reader rotates and angles for quick transactions and easy signatures.

Free app

Learn from every transaction with detailed in-app reporting, and get versatile features such as custom inventories, multiple users, and digital or printed receipts.

Simple pricing.

Accept Visa, MasterCard, American Express, Discover and PayPal at one low rate per swipe.

Simple Pricing

Accept Visa, MasterCard, American Express, Discover and PayPal at a flat rate per swipe and \$12.95 per month with no setup costs.

Get Paid Fast

Next day funding means you get paid within one business day of processed sales.

Annual PCI fee of just \$79.

When credit card sales are at or below \$5,000, a \$79 Monthly Minimum Volume Fee will be applied. Agents can request fee to be reduced to no less than \$35.

Swipe with confidence.

From data encryption and tokenization to fraud prevention, protecting you and your customers is our highest priority. PayAnywhere is a registered PCI compliant level 1 Service provider, the highest level of compliance in the industry.

Be versatile.

PayAnywhere is much more than just a way to get paid. From our free equipment placement program and seamless checkout experience to faster funding and detailed real-time analytics, PayAnywhere will give your business the tools it needs for real success.

Multiple users

Add unlimited users to your account with unique login credentials.

Receipts

Email itemized receipts with the touch of a button, or print paper receipts.

Tax + Tips

Automatically calculate tax based on location, and add discounts and tips.

Inventories

Create custom inventories with product images for faster and easier transactions.

Customize

Add an optional cash drawer and receipt printer for the perfect point-of-sale.

Go mobile

Take your sales wherever you go with the free PayAnywhere mobile reader.

Dig deeper.

Detailed in-app and online reporting with PayAnywhere Inside to tell you what, where, and when your customers are purchasing.

Detailed Activity

Get detailed customer activity with daily, weekly, monthly, and yearly sales summaries.

Monitor Users

Add multiple users with unique logins and review your employees' performance levels.

Custom Reports

Create custom reports to extract the data you want. Set automated email alerts about your account activity.

Talk to us, anytime.

PayAnywhere is a true partner to our merchants, offering live customer and technical support.

Industry experts

Dedicated support team built around you and your business needs.

Live support

Available day or night by phone, email, and chat.

Online help guides
