# ***About AMPTVNOW News...***

**Logline:** News host recaps the latest national headlines from African-American newspapers, blogs and online news sources followed by advice or tips from business and entrepreneur experts.

**AMPTVNOW News, *the other source***, helps to change that landscape by informing the average watching public of different national and international perspectives, often overlooked by having the show hosts review African-American blogs, online newspapers and magazines and internet videos sources as a conduit to diverse information. Important, focused commentary by experts in the fields of law, politics, real estate, business & finance and health & education gives viewers another angle to consider than what the average local and national news sound bites have to offer. **AMPTVNOW News** also features Inspirational stories from authors, business people and community members making a difference in many peoples' lives.

**AMPTVNOW News, *the other source*** is the one TV show that brings into focus the highlights of trending news in the African and African-American diaspora, accentuated with relevant business experts and/or inspirational guests who give tips and advice for viewers.

**AMPTVNOW News come on BizTV daily at 1:00 PM PST on nationwide broadcast television and streams online live at [www.biztv.com](http://www.biztv.com)**
