

## Esolv® free emulsifier

VIRUN® Esolv® is a patent and patent-pending, clean label liquid, free-flowing emulsifier derived from natural vitamin E and intended for beverages. Esolv® has been shown to not significantly absorb into blood plasma in healthy adults, according to the European Food Safety Authority (EFSA).

VIRUN® Esolv® is available in a free-flowing liquid form that does not require heat, mixing or processing. Simply add Esolv® to any oil, lipid or water insoluble ingredient and add to your beverage and/or process. Citrus oils/flavors or natural colors such as Curcumin and Beta Carotene, Esolv® allows the inclusion of a broad range of ingredients into your beverage that are typically difficult to formulate with.

## Esolv® free water soluble concentrates

VIRUN® Esolv® free water soluble concentrates consist of stable, water soluble and clearer concentrates of Omega EPA DHA, CoQ10 and others. Our clear, water soluble, shelf stable OmegaH2O® EPA DHA or veggie DHA liquid emulsions can be used in functional waters, smoothies and almost any other food, beverage or supplement.

## Esolv® powder technologies

VIRUN® Esolv® powder technologies combine patent and patent-pending, clean label claim Esolv® in a stable, high oil load powder that is water soluble and easily added to any beverage, stick pack, powder blend, shot or RTD. Esolv® 150 DHA OmegaH2O® POWDER is processed using a patent and patents pending bicarbonate process and composition that assures up to one year stability at room temperature. 150mg DHA Omega-3 per gram powder delivers DHA in a stable format with great stability for all dry powder, stick pack, food and powder blend applications. Esolv® powder technologies include Esolv® 400 CLA Powder, Esolv® 500 MCT Powder, Esorb™ 100 Resveratrol Powder, Esolv® 150 Phosphatidylserine powder, Esolv® 100 Phytosterol Powder, Esolv® 100 Curcumin Powder, Esolv® 100 Lycopene Powder, Esolv® 100 Beta Carotene Powder and Esolv® can be added to any other water insoluble composition to enhance your applications success.
