# SEO Service Provider Achieved Google Partner Badge

Google acknowledges SEO Service Provider ([leading internet marketing firm in Bangladesh](#)), a performance marketing and advertising company, for their stability, reliability and transparency.

Google  
Partner

Net leader Google freshly recognized SEO Service Provider, [a results-based Internet marketing and advertising company](#) specializing in Pay-Per-Click/Cost-Per-Action campaigns, as a **certified Google Partner**. SEO Service Provider is pleased to be affiliated with the world's greatest robust search engine, and will certainly highlight its **Google Partners badge** on their official website. The award honors SEO Service Provider's transparency and reliability, and brings an extended series of advantages and privileges.

Google Partners are basically online marketing organizations that stand out by utilizing Google's products and have been labeled as [trustworthy by Google](#). Developing healthy businesses, happy clients, and the utilization of Google's best practices, **Google Partners** are certified professionals in internet marketing that produce only the best services for their partners marketing campaigns despite the fact that working directly with Google for internal insights about product updates and training.

The companies and members that **SEO Service Provider** serves around the world will also get precious advantages from Google. Both companies and members will receive Google Accounts, while promoters will also enjoy full aid marketing services.

Google recognizes *SEO Service Provider* not only for its strength to provide outstanding services and advise, but also for its honest & intense business principles. With a track record of integrity and fairness, SEO Service Provider's specialized Performance Marketing team has a specialty in CPA

campaigns and works well together to attain big investments. Through constant development, the team has also been ready to grow into areas such as mobile development, SEO training, WordPress, and E-Commerce while even keeping the best quality services for that the SEOSP company happens to be known.

“ Google is essentially the most respected & trusted names online,

said ***Ekhlas Uddin Jewel***, SEOSP's Founder & CEO.

“ We are thrilled to offer this solution to customers who trust on SEO Service Provider to push them the latest, most revolutionary, most secure strategies to enhance their sales & leads. This is a genuine victory for our customers

He also said,

“ We're positive Google Partner Badge will help us to attract more new prospects. “We know buyers who make use of online searches to find services and products will highly prefer sites that have Google Partner Badge.
