Relaxation for Contemporary Life

*We are never more fully alive,
more completely ourselves,
or more deeply engrossed in anything
than when we are playing*

COLORING AS THERAPY

Recent news lauds the efficacy of coloring to promote well-being

"The practice generates wellness, quietness and also stimulates brain areas related to motor skills, the senses and creativity."

Coloring Isn't Just For Kids
Huffington Post | Oct 13 2014

Busy parents and harried business people will go to great lengths to find the newest and best relaxation method, but the stress-reducer that is soaring in popularity is something that most people haven't done since elementary school — coloring
