# Psychic Conference Workshops

## Saturday

**10:00-11:30AM (\$35 for non-ticket holders)**

### **Gallery with the Panel**

Come receive messages from Spirit in a Gallery setting.

**11:30-1:00PM (\$35 for non-ticket holders)**

Kimberly Ward's Workshop:

### **Receiving Guidance with Shamanic Journey**

We begin with a brief discussion on recognizing your 'Claire' and how to move from basic meditation into active Shamanic Journey. We will do a guided meditation for a message or a power animal. There will be a 15 minute question and answer session following. 'Bring a rattle if you have one'.

**2:30-4:00PM (\$35 for non-ticket holders)**

Panel Discussion- Q & A with all Participants:

### **Shift Happens - Are you feeling energy?**

Have you noticed energy around you that you didn't before? Do you need guidance on managing the Higher Frequency on our planet? Come learn how to be with these vibrations? This is a once in a lifetime event to ask a panel of experts your questions about, energy, spirits, and being able to manage crowded places like malls, schools, Etc.

**4:00-5:30PM (\$35 for non-ticket holders)**

Rev. Deborah Bishop's Workshop:

### **Your Sacred Money Relationship**

What you don't know you don't know is stopping you every time and costing you, literally and figuratively. Whether you are living hand to mouth, or reaping the rewards of your labor, understanding how this works unlocks your future and the future of your business and bank account like nothing else can.

# Sunday

## **9:30-11:00AM (\$35 for non-ticket holders)**

Panel Discussion – Q&A with all participants:

### **Awaken to Your Dreams**

Have you noticed that your dreams are more vivid? Do you awaken with feeling like your dreams are telling you something? How can you use your dreams to assist you in your everyday life? Come learn from a panel of experts where they will give you their unique perspective on dreams and the meaning of your dreams. Bring your questions and deepen your connection to the knowledge being offered to you by spirit.

## **11:00AM-12:30PM (\$35 for non-ticket holders)**

Shauna Freidenberger's Workshop:

### **Deepening Your Connection with Who You Are and the Light Within**

Come and learn about your own intuitive gifts, what they are, and how to further develop them. Every person has the ability to be in tune or to be intuitive, but we each have our own way, our own gifts for connecting and receiving information psychically. Come find out what your way is, and how to utilize those gifts to have clear communication with Source, Archangels, Ascended Masters and your own personal guides.

## **2:00-3:30PM (\$35 for non-ticket holders)**

John Cappello's Workshop:

### **Open the Mind Exercise the Soul-Psychic Development Workshop**

This workshop is a foundation class for students wanting to develop their psychic skills. It is based on the award winning book, "Open the Mind Exercise the Soul," and provides definitions of the major psychic senses, demonstrations by the instructor and practice for students. A workbook will be provided to those attending.

## **3:30PM-5:00PM (\$35 for non-ticket holders)**

Patti Negri's Workshop:

### **Love Magick 101**

Bring love into your life, improve the quality of the love already in your life. The magical tools of love is what this class is all about! Awaken the Passion within your relationship, within your work, within all areas of your life!

What is magick? Magick is taking an active roll in the hand of fate! The power that makes a spell work is not to be found in some new recipe book. The real power dwells within you.
