for earning the prestigious 100 Heroes Served Club Award**

Minneapolis, MN, August 31<sup>st</sup>, 2015 – Homes for Heroes Inc. is proud to recognize, Jamie Harrington of Hickory, NC for being inducted into the prestigious 100 Heroes Served Club. Since joining the company in 2011, Harrington has given back to 143 heroes. The substantial savings Harrington offers has made the dream of home ownership more attainable for so many community heroes and their families.

“Jamie exemplifies what it truly means to be a member of this program. Being a Homes for Heroes affiliate requires more than just helping heroes with their real estate needs, it means getting involved in the local community and helping heroes with whatever they need. We couldn’t be more proud to have someone of her caliber as a part of our team and representing her local community heroes.” says Ruth Johnson, Homes for Heroes CEO.

When asked why she joined Homes for Heroes and what this achievement means to her, Harrington responded, “I wanted something that set me apart, to identify me as someone different (in the mortgage industry). I found Homes for Heroes and saw that it was about giving back within your own community, and being of service to these folks...that mean so much to us. I knew it was the right fit for me. It makes me feel good to know that we’ve helped that many different families in some form or fashion. We offered something to them that someone else didn’t.”
