**National HOMES FOR HEROES Program Honors Lisa Scales
for earning the prestigious 100 Heroes Served Club Award**

Minneapolis, MN, August 31st, 2015 – Homes for Heroes Inc. is proud to recognize, Lisa Scales of Savannah, GA for being inducted into the prestigious 100 Heroes Served Club. Since joining the company in 2013, Scales has helped 147 heroes and given back over \$190,000 of her own income to local heroes. These substantial savings have made the dream of home ownership more attainable for community heroes and their families.

“Lisa exemplifies what it truly means to be a member of this program. Being a Homes for Heroes affiliate requires more than just helping heroes with their real estate needs, it means getting involved in the local community and helping heroes with whatever they need. We couldn’t be more proud to have someone of her caliber as a part of our team and representing her local community heroes.” says Ruth Johnson, Homes for Heroes CEO.

When asked what her favorite thing is about Homes for Heroes, Scales responded, “When they (the heroes) are able to move into a home and you’re able to give them something back! Most of the time in our market our buyers don’t really have to bring much to the closing table. So to be able to offer them something in the way of additional savings, or an upgrade that they really wanted to get, is just wonderful.”
