**FOR IMMEDIATE RELEASE**

### **New Glarus Motors Welcomes Justin Germann as New Service & Parts Manager**

New Glarus, WI – (November 13, 2015) – New Glarus Motors, LLC a privately owned and operated Chrysler, Dodge, Jeep, and RAM dealership located in New Glarus, Wisconsin, is expanding its local team to include a new Service & Parts Manager.

**Justin Germann** has an extensive background working with automotive customers, and over 10 years of managing service and parts teams throughout his career. Germann is a Chrysler-Certified Manager, and also holds an Automotive Service Consultant ASE certification.

“As we continue to grow our service capabilities, we are excited to be able to add a seasoned Chrysler veteran to our service and parts team.” said Matt Dierksmeier, VP of New Glarus Motors. Dierksmeier adds, “We appreciate his creativity and innovative solutions that Germann will bring to our team and are looking forward to supporting the new relationships he plans to develop in our community.”

**Justin Germann - Service & Parts Manager**

Working and living in a small town himself, Germann can appreciate the unique flavor of a town like New Glarus. He can't wait until spring when the local festivals start again to meet some new faces. Until then, stop in and welcome Germann to our town. He is looking forward to a long working relationship with all of our service and parts customers and looks forward to providing you with quick and efficient service to keep you moving down the road.
