

FlexPrint Inc. Hosts 10th Annual Charity Golf Tournament to Raise Money for Children in Poverty

The Nation's Largest Privately Held Managed Print Provider Celebrates its Tenth Anniversary and Charity Golf Invitational

PHOENIX, AZ (Nov. 13, 2015) – FlexPrint Inc., the nation's largest privately held Managed Print Solutions provider, held its 10th Annual Charity Golf Tournament at the Westin Kierland Golf Resort in Scottsdale, Arizona. Prior to the tournament, FlexPrint also hosted a private anniversary gathering with their national customers and employees celebrating ten years of successful business in the document technology industry.

This year's golf tournament included participants from over 100 national companies from across the country. Proceeds benefited Chicago based Ounce of Prevention Fund, whose mission is to support children born into poverty. FlexPrint's annual Golf Invitational has raised thousands of dollars in support of local nonprofit organizations.

"On behalf of the Board of Directors and staff at The Ounce of Prevention Fund, we would like to express our sincere appreciation for FlexPrint's generous donation to our organization," states Anne L. Tuohy, Chairman of the Board at Ounce of Prevention Fund. FlexPrint's generous support will further support our organization's mission in helping underserved youth and families in our community. This will truly make a difference!"

"We are excited to celebrate our tenth year of hosting this tournament, and honored to give back to such a worthy cause," says Frank Gaspari, CEO of FlexPrint Inc. "For the past ten years, FlexPrint has worked towards its mission of giving back to the community, and we are grateful to all our vendors, clients, and employees who have helped us in this amazing journey."

The day before the tournament, the company also hosted a 10 Year Anniversary Party at the private Silverleaf Club in North Scottsdale, celebrating a decade of service and growth.

"We also wanted to recognize and show our appreciation for our amazing employees and loyal national customers who have helped make the past ten years incredible," states Gaspari.

About the Ounce of Prevention Fund

The Ounce of Prevention Fund is a private-public partnership dedicated to providing all children – especially those from low income families – with high-quality early childhood experiences from birth to age 5. We aim to be the nation's trusted source for early childhood research and program models that focus on the physical, social and emotional development of children from birth to age five. To give children and families most in-need the best chance for success, the Ounce develops programs, conducts research, trains educators and strongly advocates for early childhood education. Our early childhood programs, such as the Educare Learning Network, have created national models of high-quality early childhood education, ensuring that more children have access to opportunities best suited for their future success.
