### **Luxury Dream Villas Debuts Vacation Rentals in Tropical Paradise**

**New York, NY** – Luxury travel is booming: high-price trips are the strongest-growing market segment worldwide, according to industry experts. To meet the demand in this growing sector, the Lux Group is thrilled to announce the launch of its latest luxury vacation villa rentals via [www.luxurydreamvillas.com](http://www.luxurydreamvillas.com). This new site offers gorgeous, luxury homes all across the Caribbean for the perfect vacation getaway as winter approaches.

“Lux Group director Kim Lewis says this is a great addition to our Luxury Rentals Bahamas website which was one of the first, being able to offer more of the Caribbean to our guests was a natural progression.”

Luxury Dream Villas offers an extensive inventory of distinct, high-quality vacation villas in the most sought-after destinations around the world complete with a dedicated team ready to find the perfect match for your unique luxury vacation needs. Their experienced agents will match holiday seekers with the perfect luxury villa property for a romantic getaway, family reunion, golf getaway, wedding, or corporate retreat.

Each villa comes with a personal concierge to ensure relaxation and comfort begin the moment guests arrive by arranging everything from private chef services to customized excursions. Fulfilling vacation needs is of the utmost importance to us – that’s why we’re always available to help you plan every detail of your luxury dream getaway.

Luxury Dreams Villas are booking into the 2015/2016 season right now. Call and book today.
