

THIS IS THE CALL!

New Release from Ellis Williams

Call To Battle is the sophomore album of trumpet player and vocal artist, Ellis Williams. January 19th, 2016 will be the date to save for every jazz-funk enthusiast! *Call To Battle* is the follow up to Ellis' debut album *Euphoria* and is brought to audience through the creative styling of record producer Andrew "Hawksilver" Piland. Available through online distribution sites such as iTunes, Amazon, and Spotify.

Listeners were so intrigued by Ellis' *Euphoria* that he had to come back for another joy ride! *Call To Battle* is the opportunity for fans to reach the studio musician on a much more personal and intimate level. The songwriter expresses his deepest and darkest emotions throughout this album while still achieving his signature sound that is raw and exciting!

Ellis takes his vocal abilities to the next level with tracks such as "My Closest Friend" and "Where Do We Go From Here?" and dazzles on "Braving Darkness" with his trumpet skills. "Mystic Safari" is a one-of-a-kind jazz overture that will take your soul on an incredible journey with the use of word painting. The title track, "Call To Battle" is a powerful message that calls the listener to action while addressing today's issues. This project is set to rock the independent music scene!
