Testimonials

"Realty411 has provided our company many avenues to market our brand to their huge following of Realty411Guide's Magazine, expos, events, and eblasts. They understand the importance of marketing and allow sponsors to be creative in showcasing its philosophy. It has been a delight to know and work with them.

We all know that more marketing means more money so if you need more money/orders/clients/customers/sales, look to Linda for your marketing needs."

I needed a connection to speak to an REO broker and your awesome network helped me again.

Hello Realty411;

I just wanted to take a moment to thank you for everything you have been in my life the last few months. You have made such an impact! I have sold houses from our first event. I am sure I am going to sell from Irvine too. Your introduction to a VIP industry affiliate is also going to help me sell more houses, which will help my Ohio and California Teams.

I hope as many blessings come to you as we are receiving from you! I promise to be one of your BEST customers.

Thanks a bunch for inviting me to the Santa Barbara REIA this weekend. Great group, and I enjoyed giving the presentation. Already sold a few units of the Motel 6 opportunity!! Eager to work with you on the San Francisco event. Also, on the Los Angeles event and even Canada? I'll support you anywhere you go!
