FOR IMMEDIATE RELEASE:

***Source One Brings the Future of Spend Management to ISM2016 as
Exclusive Sponsor of Exec IN Conference***

Willow Grove, PA (February 2, 2015) – Leading Procurement Services Provider, Source One Management Services, LLC announces its support of the Institute for Supply Management’s (ISM) Annual Conference as the exclusive sponsor of the premier [Exec IN Forum](#). This private event takes place during the ISM’s Annual conference, this year held from May 15-18 in Indianapolis, Indiana. Exec IN is an exclusive event designed specifically for senior-level supply management executives (\$1.5 billion + annual revenue) to discuss challenges and opportunities unique to large supply chain management organizations.

This year, the conference hosts private sessions with keynote speakers: former President and CEO of Ford Motor Company, Alan Mulally, and author of the bestselling book *Quiet: The Power of Introverts in a World That Can’t Stop Talking*, Susan Cain. Forum highlights also include executive networking sessions, as well as expert-led panel discussions addressing industry hot topics.

“It’s an absolute privilege to support the Institute for Supply Management’s Exec IN conference, and we are thrilled that the ISM chose us as the best procurement services firm to help them hold this important keystone event. These sessions present Source One, as well as other industry leaders, the opportunity to participate in forward-thinking discussions and really demonstrate the power they have as change agents in supply management and procurement. There are few conferences out there designed to address the supply chain challenges and opportunities these large organization face. Exec IN provides a unique outlet for leaders to come together and really learn from one another,” shared Source One’s CEO, Steve Belli.

In addition to sponsoring the Exec IN forum, Source One will also be joining the impressive list of exhibitors and guest presenters at ISM2016. Event attendees are welcome to meet experts from Source One by visiting booth #528 and are encouraged to hear VP of Professional Services Joe Payne present on managing responsibilities and succession planning in an increasingly contingent workforce. As regular Annual Conference participants and supporters of ISM, Source One looks forward to connecting with the best minds in the industry.

About Source One

Since 1992, Source One Management Services, LLC has been a prominent supply management services provider helping best-in-class organizations maximize procurement and supply chain's value.
