

Recognized for Distinction as an Innovator and Women Business Enterprise (WBE) - FUSE SOLUTIONS INC

Dallas, Texas, February 3, 2016 /PRNewswire/ -- [Fuse Solutions Inc](#) a leading-edge consulting practice, distinctly privileged to serve global customers, is proud to announce that it is nominated for multiple awards through the Women's Business Council-Southwest, in partnership WBENC.

- **WBE Rising Star Award** - Recognizes a newly-certified WBE who has demonstrated the highest degree of support for and involvement with WBCS
- **WBE Advocate of the Year Award** - Recognizes a WBE owner or employee who demonstrates extraordinary efforts in inspiring, engaging and empowering WBCS-Certified WBEs
- **WBE of the Year Award** - Recognizes woman-owned businesses that exemplify outstanding business acumen, industry leadership and community service

Fuse Solutions is proud to share the spotlight with its remarkable co-nominees at an awards ceremony and gala on February 4th, 2016 in Dallas, Texas.

Fuse Solutions launched in 2014 and instantly disrupted how Corporate America leverages critical suppliers by introducing innovative controls to compliment corporate compliance, policy and strategic direction.

"We are awestruck to be recognized and eternally grateful to our employees, clients, partners, mentors and families that have supported us," said Jennifer Schaumburg, Fuse Solutions CEO. *"We do service management, focused on cross vertical efficiency throughout the corporate enterprise. Our WBENC association and strategic business partnerships enable us to fuse expertise and provide even more value in achieving results throughout our customer's operations."*

Fuse Solutions has designed, built, operated and maintained successful award-winning service programs for high profile customers. Their experience is well practiced and runs deep.
