 Trailblazing2016

## Trailblazing a New Future for Disabilities!

Mark your calendars! **Trailblazing2016 Conference: The Future of Disabilities, Technology and Business** sets its gaze on the future. [#Trailblazing16](#) allows rising entrepreneurs with disabilities and their families meet with venture capitalists and angel investors from around the country, while discovering the newest developments in accessible and assistive technology, so they can create startup companies of their own and contribute globally. This ONE-DAY conference sets out to fuel the progress and innovation needed to improve the state of disability employment, inclusion and workforce sustainability.

[#Trailblazing16](#) is specifically focused on that **people with disabilities** can make substantial contributions to economic and social development and that their ideas, work ethic and unique skills are **a value proposition to the businesses community**. Join our conference this September! Additionally, Entrepreneurs with disabilities from almost every industry imaginable and from all corners of the globe will be right here in SOUTH FLORIDA revealing the future of self-employment as the fastest-growing alternative to traditional employment.

**Jose H. Velasco** has been secured as a keynote speaker. The South Florida Business Community welcomes the Global Lead of **Autism at Work**, at SAP. SAP is recognized internationally as a leader in business innovation, for the purposes of creating a more inclusive, sustainable and meaningful employment platform for persons on the **Autism Spectrum**. In 2014, SAP, with guidance and leadership from Jose Velasco, made a groundbreaking commitment to ensure that at least 1% of their entire global workforce represented individuals with Autism.

South Florida is filled with tremendous talent, energy, passion and drive. [#Trailblazing16](#) provides a unique, local opportunity for engagement and creates the blueprint for increased inclusion of persons with disabilities within region. The professional development for business leaders & disability advocates in South Florida will further enhance the path forward to when we can all **see past disabilities**, and begin benefiting from the **vast, unique abilities**.

A sponsorship package is now available and online registration will be available as of June 1, 2016 at [www.Trailblazing2016.com](http://www.Trailblazing2016.com)
