**Homes for Heroes honors Kris Crane of Snohomish, WA for serving 106 local heroes, providing over \$165,000 in Hero Rewards® savings and earning the prestigious 100 Heroes Served Club award.**

Minneapolis, MN – Homes for Heroes, Inc. is proud to recognize Kris Crane of Snohomish, WA for being inducted into the prestigious 100 Heroes Served Club. Since joining Homes for Heroes in 2013, Crane has served 106 heroes and provided over \$165,000 in Hero Rewards savings to local heroes.

Local hero, Dawanna Salisbury, recently worked with Crane and Homes for Heroes to buy her home and said, “Kris and her team will go to bat for you. They have been working with my family and I for months now. They truly care about you and your needs. They will not give up on you or your dream to become a homeowner. I have even gotten emails at 10 at night showing that they are working well past working hours to help you. They won't give up! So happy I chose Kris and the whole team there (at Crane Financial) to work with. They have made the process a wonderful experience and now my family will have a place to call their own!”

“Kris exemplifies what it truly means to be a member of this program. Being a Homes for Heroes affiliate requires more than just helping heroes with their real estate needs, it means getting involved in the local community and helping heroes with whatever they need. We couldn't be more proud to have someone of her caliber as a part of our team and representing local community heroes,” says Ruth Johnson, Homes for Heroes CEO/Founder.
