MEREDITH PARDUE*All the Emerald Oceans****Laura Rathe Fine Art Announces Solo Exhibition by Contemporary Artist in Dallas, Texas***

(Dallas, TX, October 6, 2016) –Dallas Design District gallery, Laura Rathe Fine Art (LRFA), announces a solo exhibition featuring works by Texas artist and contemporary painter, Meredith Pardue with an opening reception on Saturday, October 15th from 5-8pm. “*All the Emerald Oceans*” will feature paintings from her latest body of work that draws inspiration from ocean tides, which the artist says, “rise and fall like breath bringing life and its remnants onto shallow green shores.” The exhibition will be on view through November 12, 2016.

ABOUT THE ARTIST

Meredith Pardue is widely known for her dynamic, large-scale compositions featuring colorful abstract forms derived from nature. Born in Monroe, Louisiana and based in Austin, Texas, Pardue holds an M.F.A. from Parsons School of Design in New York and a B.F.A. from the Savannah College of Art and Design.

Following her studies, Pardue traveled extensively throughout the United States. Her work draws inspiration from the varied flora and landscapes of the American South, Pacific Northwest, and Northeast, recalling the transparency of water, the translucency of petals, and the opacities of foliage.

As a painter, Pardue combines intuitive gesture with deliberate mark making. Often starting from a pale ground, she builds up her surface with successive layers of paint in colorful applications that range from delicate ink stains to more pigment rich brushstrokes. The varied textures and layered coloring of Pardue’s plantlike forms reflect the history of this cumulative and organic process.

The work of Meredith Pardue is prominently displayed in several notable private and corporate collections, including J. Crew Corporate Headquarters, Genstar Capital, BBVA Compass, the Michael & Susan Dell Foundation, University of Texas at Austin, UT Southwestern Medical Center, New York Presbyterian Hospital, and the Savannah College of Art & Design. Her work has been exhibited worldwide and published in *Modern Luxury Interiors Texas*, *Architectural Digest*, *Dwell*, and *New American Paintings*.
