

Rahi Cali

SUNSET GETAWAY
SPRING 17

RahiCali is a destination for dreamers, adventurers, and lovers everywhere. "Rahi," which means "Traveler", embodies the wandering spirit of the RahiCali girl. She is young and curious and always marvelled by exotic locations and unparalleled landscapes.

Born in the colorful and relaxed backdrops of Southern California, the RahiCali collection is effortless, feminine and free-spirited. It epitomizes the eternal So-Cal boho culture with its flirty silhouettes, vibrant hues and delicate details. Each collection encapsulates rich embroideries styled romantically over easy and airy fabrics. Each season celebrates a movement of pure romance and wanderlust, the perfect setting for a modern bohème paradise.

Come explore our paradise, live the RahiCali life.
"Take nothing but memories, leave nothing but footsteps."
