News Release

FOR IMMEDIATE RELEASE: January 25th 2017

Website for Strategic Digital Marketing, LLC Launches!

The new website for Strategic Digital Marketing, LLC is now live. The site aims to go beyond providing basic information about the firm's services. Rather, it's focus for year one is on where Digital Technology can take a company and draws on experiences from its founder's past to get the right people, processes & technologies on board.

Please see for yourself: www.StrategicDigitalMkting.com

Strategic Digital Marketing, LLC is a Digital Marketing Company that helps organizations better utilize their Marketing Automation Platform/Process. Companies looking to go beyond e-mail marketing often just need a digital marketing strategy or plan and a little push to utilize/understand additional features of a Pardot, Marketo, Eloqua or similar platforms. Strategic Digital Marketing provides both.
