About Homes for Heroes

Homes for Heroes, Inc., was established shortly following the tragic events of 9/11 as a way to give back and say “Thank You” to our nation’s heroes. Homes for Heroes is the largest nationwide network of affiliate real estate specialists and local businesses providing easy ways for firefighters, law enforcement, military (active, reserves and veterans), healthcare workers, EMS and teachers to save money when buying, selling or refinancing a home; or when making every day home-related purchases. Every time a hero uses Homes for Heroes, they help other heroes in need. A portion of Homes for Heroes' earnings is donated to the Homes for Heroes Foundation, a nonprofit 501(c)(3) that provides assistance to heroes in need.
