Homes for Heroes® Presents Colorado Nurses Association with National Hero Spotlight Award and \$3,000 Donation

Minneapolis, MN – Homes for Heroes® selects the Colorado Nurses Association as a National Hero Spotlight Award recipient and presents it to Terry Buxton, PhD, RN, CNE, Professor of Nursing at Regis University and President of the Colorado Nurses Association (CNA), along with a donation for \$3,000 to the Colorado Nurses Association Foundation. The award presentation will take place Tuesday April 25, 2017 at the Renaissance Denver Stapleton located at 3801 Quebec Street in Denver Colorado between 11:00 – 11:30 AM Mountain Time.

The 2017 National Hero Spotlight Award given to the Colorado Nurses Association is to recognize excellence and professionalism in nursing. The Colorado Nurses Association has positively impacted the nursing profession as a model of support, services, representation and advocacy for nurses and the healthcare profession; not only in Colorado but nationwide.

When the Colorado Nurses Association's President, Terry Buxton, was informed the CNA would receive a Hero Spotlight Award and a \$3,000 donation to the CNA Foundation from Homes for Heroes she said, "That is wonderful and much appreciated."

"This is the second presentation of the Homes for Heroes National Hero Spotlight Award, and we are honored to present it to President Terry Buxton on behalf of the Colorado Nurses Association for all they do to serve their members, who in turn serve all of us. We hope this award and donation help support the Colorado Nurses Association and its members, and the Colorado Nurses Association Foundation," said Homes for Heroes Hero Outreach Coordinator, Steven Blackwell.

HOMES FOR HEROES

Homes for Heroes was established shortly following the tragic events of 9/11 as a way to give back and say "Thank you" to our nation's heroes. Homes for Heroes is the largest nationwide network of affiliate real estate specialists and local businesses providing easy ways for firefighters, law enforcement, military (active, reserves and veterans), healthcare workers and teachers to save money when buying, selling or refinancing a home; or when making every day home-related purchases. Every time a hero uses Homes for Heroes for their real estate transactions, they are helping heroes in need. A portion of Homes for Heroes' earnings is donated to the Homes for Heroes Foundation, a nonprofit 501(c)(3) that provides assistance to heroes in need.
