

BRIGHT FUTURES

TREATMENT CENTER

844-207-7772

Bright Futures Addiction Treatment Centers has helped many individuals and families through the battle of addiction to regain their lives and identity. Our intensive extended care program breaks through the barriers to change lives forever. We provide a comprehensive continuum of care, with services from intervention to detox and residential treatment to outpatient and sober living. Our program facilities provide a safe, structured environment in which individuals learn how to thrive while maintaining recovery.

[Visit Our Website](#)

We understand that addiction is a chronic disease and that those afflicted must address a host of complications associated with the behaviors they have practiced for so long. Bright Futures encourages family participation in the process at the appropriate time, and we view the family as a key pillar of support for the individual who is recovering from the grip of addiction.

~ Alvise Pugliese

Residential Partial Hospitalization
