

JUNE 10TH, 2017

NATIONAL DONATE A LUNCH DAY

Almost 50 million fellow Americans do not know if they will be able to have a meal in the evening. For many school age children, the only guaranteed meal is the one that they get at school during the week.

FASTING TO FEED

Please join the campaign by donating at least one lunch while *Fasting to Feed* our fellow Americans. You can encourage your friends & colleagues to join the efforts on June 10th by donating their lunch worth a few dollars.

To donate online, please visit:
