Jim Smith Featured in the Colorado Edition of Top Agent Magazine

Golden, CO: Jim Smith, broker/owner of Golden Real Estate, is featured on the cover of the Colorado edition of Top Agent Magazine for July 2017. Top Agent Magazine is the premier real estate magazine featuring the foremost real estate agents, mortgage professionals, and affiliates in the USA, Europe, Canada, Australia, and New Zealand. Top Agent Magazine features the top producing and most accomplished professionals in the real estate industry, offering an in-depth look at their careers and providing a blueprint for their success.

To be considered for a feature in Top Agent Magazine all professionals must go through a nomination and interview process. Candidates are then evaluated based on production, professionalism, as well as industry and community involvement. It is considered a privilege to be nominated as it speaks to a certain success level all real estate agents strive for. Top Agent has set itself apart as a trusted source of real estate information and inspiration.

Jim Smith is a stellar example of the kind of real estate leaders that Top Agent Magazine likes to feature. What stood out about him is that he has built his business primarily on his journalistic skills, writing a weekly real estate column that has created a following among both prospective clients and other real estate professionals over the last 15 years. That's one reason he was put on the cover of the July issue.

The July issue can be viewed online at www.SmithCoverArticle.info.

"I'm honored to be featured by Top Agent Magazine," said Smith. "I particularly appreciate how they valued our brokerage's commitment to sustainability."
