CVOFFERS.COM SECURES \$8M IN SEED FUNDING

Real Estate Technology Firm Raises Private Equity Funding

Glendale, CA, July 10, 2017– Clearview Market Solutions, LLC, the company behind the real estate technology website CVoffers.com, just secured \$8M in funding from Anderson Capital Group (www.andersonfund.com).

“Having worked closely with Anderson Capital Group, I am proud to say we secured our entire seed round from one source. It’ll make for a much more enjoyable process working with one investor rather than multiple groups,” said Armen Mardirousi, founder and CEO of Clearview Market Solutions, LLC.

The deal values Clearview Market Solutions, LLC. (CVoffers.com) at \$80M.

About CVoffers.com

CVoffers.com brings clear and transparent coordination to real estate transactions. It’s a powerful real estate offer management system. It’s also a powerful real estate transaction coordinator. CVoffers.com provides transparency, clarity and productivity for all parties involved in the real estate transaction. That, in a nutshell, is CVoffers.com.

About Anderson Capital Group

Anderson Capital Group is a highly diversified global investment management firm, that manages its own investments under different assets groups through venture capital and offers comprehensive investment solutions to our investors.
