

ELECTROMATE INC. CERTIFIED AS A GREAT WORKPLACE

— FOR IMMEDIATE RELEASE —

Kaizen, team cooperation and a great working environment help certify Electromate® as a Great Workplace

Toronto, Ontario—July 20, 2017. Electromate® Inc.— one of the country’s leading providers of high performance Factory Automation Products—is proud to announce that they have been certified as a GREAT WORKPLACE after a thorough and independent analysis conducted by Great Place to Work® Canada. This certification is based on direct feedback from employees, provided as part of an extensive and anonymous survey about the Electromate® workplace experience.

Electromate® is proud to announce that they have been certified as a GREAT WORKPLACE after a thorough and independent analysis conducted by Great Place to Work® Canada. This certification is based on direct feedback from its employees provided as part of an extensive and anonymous survey about the Electromate® workplace experience.

Electromate® prides itself on its commitment to the principles of Kaizen, or continuous improvement. This holds true for the personal and professional development of its employees which has greatly contributed to the creation of its company culture embodying the Core Values of Integrity, Intelligence, Ambition and Enthusiasm.

“Creating a great workplace culture has been pivotal in driving employee engagement and performance,” said Warren Osak, President of Electromate®. “Empirical studies have shown that highly engaged employees are more productive and deliver a higher level of customer satisfaction, and much of our competitive advantage stems from the positivity in our workplace. We are thrilled to be recognized for our exceptional workplace culture and acknowledged as a Great Workplace by GPTW.”

About Great Place to Work:

GPTW (www.greatplacetowork.ca) is the global authority on high-trust, high-performance workplace cultures. Through proprietary assessment tools, advisory services, and certification programs, GPTW recognizes the world's Best Workplaces in a series of national lists including those published by Fortune magazine (USA) and The Globe & Mail (Canada). Great Place to Work® provides the benchmarks, framework, and expertise needed to create, sustain, and recognize outstanding workplace cultures.
