

FOR IMMEDIATE RELEASE

O6 Environmental Awarded State of Missouri Contract

O6 Environmental takes another step forward with Missouri Hazardous Substance Contract

St. Louis, MO August 9th, 2017 – **O6 Environmental** is pleased to announce receipt of the recently awarded State of Missouri, Hazardous Substance Cleanup and Disposal contract # CS170840003.

As a State of Missouri preferred use contractor, O6 Environmental will be working with the Missouri Department of Natural Resources (MODNR) to provide both emergency and non-emergency clean up and disposal services. Registered members of the Cooperative Procurement Program (COOP), can access the services through the State contract. More detailed information pertaining to the COOP can be found at <https://oa.mo.gov/purchasing/cooperative-procurement-services>.

“O6 Environmental expects to see an increase in engagement across the State of Missouri and looks forward to providing both the state and our clients with invaluable services”, said **Caleb Tufts, Senior Program Manager with O6 Environmental**.

O6 Environmental based in St. Louis, MO, focuses on serving markets across the Midwest. The organization works to build long term relationships with clients, bringing value to their partners by using a streamlined and integrated approach in project management, which provide, cost savings throughout the engagement.
