

PRESS RELEASE:

****For Immediate Release NEW Water Company in Downtown Jax****

Nationally Branded Alkaline Water Company (AlkaVita) Brings Headquarters to Downtown Jacksonville, FL

AlkaVita is a bottled water company dedicated to providing healthy chemical free, Bio available water to ALL! CEO and Founder Savita Jones is a native of Jacksonville, FL and knew this city would be the perfect location to establish AlkaVita's Headquarters.

Company Background: Founder Savita Jones, has always been very health conscience, however She acknowledges her grandmother's bout with Parkinson's as a major catalyst to push the production of this water company in hopes that providing naturally alkaline water to residents across the world will aid in the reduction of health issues across the globe.

AlkaVita in the Community: Jones, has always been deeply involved in community and wanted to ensure AlkaVita Brand of water follows the same commitment. AlkaVita can be seen supporting the following community initiatives and many more:

- Consume Clean Campaign
- Initiatives in Haiti
- Parkinson Awareness
- Flint Water Crisis
- Community Events
- Youth Fitness Camps
- Sister Strut & Breast Cancer Awareness

For more information on how your organization can gain the support of Alkavita, visit the website at www.Alkavita.Life today!
