

REMODELING SHOW & DECKEXPO COLLABORATE WITH VIBE™ TO DELIVER ADDITIONAL NETWORKING OPPORTUNITIES FOR VIP BUYERS AND SELLERS

BALTIMORE, MD, March 13, 2018– Excitement builds as [Remodeling Show & DeckExpo](#) partner with a2z Inc., the leading provider of solutions and services to the events industry, to announce the launch of the Remodeling Show & DeckExpo VIBE. The VIBE (Very Important Business Exchange) program is a unique networking event that will enable pre-qualified buyers and suppliers to connect with, meet and do business with each other in an exclusive, fabulously managed setting.

[Remodeling Show & DeckExpo VIBE](#) delivers high value and ROI for both exhibitors (suppliers) and attendees (buyers) by connecting them in an engaging experience. Qualified exhibitors and attendees are hand selected to participate in highly productive one-on-one meetings and experiential events.

- Get effective appointments with key decision makers
- Engage and network at exclusive VIBE activities
- Increase value & ROI through qualified and highly matched meetings

“We are very excited to partner with the Remodeling Show & DeckExpo and introduce the Remodeling Show & DeckExpo VIBE,” said Bill McGlade, Sr. Director of Emerging Business, a2z, Inc. “This program allows the Remodeling Show & DeckExpo to offer additional ROI and value to their show audience as well as add a whole new experience to the already exciting Remodeling Show & DeckExpo. These qualified and highly matched meetings will ensure suppliers are showcasing the newest and innovative products to allow the buyers to make purchasing decisions while at the event.”

The Remodeling Show & DeckExpo VIBE bridges the gap between buyers and suppliers by offering additional opportunities to connect buyers and sellers through one-on-one appointments and activities to foster trust and deepen business relations.

ABOUT REMODELING SHOW & DECKEXPO

[Remodeling Show and DeckExpo](#) have co-located to create the residential construction industry’s premier event. This two-show event brings together residential remodeling and building professionals

from all over the country to experience the hottest products, learn the newest building techniques, and build their professional reach through fun networking events. The in-depth education program includes hands-on training and business education through live building clinics, on-floor demonstrations, and conference sessions with industry experts.
