BRAYN CONSULTING LLC IS EXCITED TO WELCOME GURLEEN SINGH TO OUR WEST COAST PRACTICE

We are very pleased to announce that Gurleen Singh has joined BRAYN as a Director in our west coast practice. Gurleen will oversee our West Coast Tax Consulting Operations, specializing in Domestic and International R&D Tax Credits & Incentives, 179D and Cost Segregation. Prior to joining BRAYN, Gurleen worked as an Associate Director providing her R&D clients with exceptional service and legal expertise for the past four years primarily in the Manufacturing, Architecture, Engineering, Construction, and Software space. When we first met Gurleen, we were excited to learn about her extensive experience in tax incentives. We were also really impressed with the fact that she prides herself on being a zealous advocate for her clients and enjoys learning about the intricacies of their business to ensure we are capturing all relevant expenses.

Gurleen received her undergraduate degree in Marketing and Management from Northeastern University in Boston before making her way to South Texas College of Law in Houston to pursue her Juris Doctorate. Upon graduation she worked in litigation for two years before branching out into the world of corporate tax. Gurleen loves to travel, cook and aspires to be a single malt aficionado. She is looking to adopt a dog and is open to suggestions and advice.
