

For Immediate Release

Absolute Pitch releases the secrets to dramatically improve business performance

Now you can learn how to harmonize your organization.

What if every member of your organization worked together in perfect harmony? [Absolute Pitch](#) distills the secrets of creating a world-class improvement system in the form of a surprising and engaging story. Robert Blaha and Bruce Thompson uncover the secrets of improving and harmonizing systems and teams where you least expect it while giving you the tools you need to compose a corporate symphony of your own.

"Robert Blaha and Bruce Thompson have conducted a magnum opus with Absolute Pitch! It's a must-read for any leader striving to get their organizations on the same sheet of music to achieve the highest results. Read it and learn from some of the best!" Mark Pomeroy, Retired Vice President R&D, Johnson & Johnson Diabetes Care Companies.

Bruce Thompson is the founder and president of [SLT Consulting](#), one of the industry leaders in business improvement principles and demand generation. Bruce has over 25 years of diverse experience in manufacturing, service, product development, process analysis, quality and operations. He specializes in the application of systems and principles that lead to harmonizing the organization.

Robert Blaha helps organizations streamline their operations, cut costs, and boost productivity. After a successful career in senior management at major corporations including Ford and Monsanto, he founded consultancy firm [Human Capital Associates](#) and he continues to be its president. He also co-founded Integrity Bank & Trust in Colorado Springs and is the Vice Chairman of its board of directors.

The secrets of the best streamlined businesses in the world are available to every organization, regardless of size. Reduce waste, increase profits and unite your team like never before when you achieve [Absolute Pitch](#).
