

Testimonials

“ I absolutely love the ThrowMotion cricket table at Google. Whenever I give a visitor a tour of Google, I make sure to stop by B43 and get them to play a game... The game is perfect for the quick afternoon break at work to enjoy with your colleagues! ”
– Operations and System Specialist , Mtn View, CA

“ This is one awesome game you and your team have developed. We are addicted to it!! ”
– Member of the Technical Staff, Sunnyvale, CA

“ It's changing the way people play ball games (Cricket + Baseball) - a new paradigm that brings physical & digital gaming worlds together. ”
– CTO Vertical Systems BU, San Jose, CA

“ A great idea to engage Cricket fans, very unique & novel with an excellent game play experience ... ThrowMotion is a must try for all cricket lovers! ”
– Marketing Manager, Dubai, UAE

“ The best of video games, Foosball, Billiards, pinball all rolled into a new game experience! ”
– User at Plug and Play, Sunnyvale, CA

Our customers include:

Crafted to the highest standards, our game tables are made with premium quality materials with a high durability finish.

Each game unit is connected to ThrowMotion Cloud Services through Wifi or 4G/LTE and comes with an integrated 7" tablet and multi-axis batsman and bowler controls.

These game units are ideal for use in corporate game rooms, other social venues and homes.

ThrowMotion[®]

CricketLive!

 Full 3D action provides fun, interactive and realistic gameplay.

 Live scoreboard with commentary and videos.

 Addictive, competitive and skill-based, not a game of chance.

 Connected to the internet and integrated with social media. Easy to set up tournaments and leaderboards.

 Mass appeal: ages 8+, 2-8 players, cricketers and non-cricketers.

 Intensely social: play with family and friends, play anytime and in any weather.

 Limited overs with 1-4 players on each team. Games are 5-20 minutes long.

“ Table cricket like you’ve never seen it before--very fast-moving! ”

“ It’s got the physicality of foosball, and a generous dose of technology and cricket. ”

“ As realistic as cricket gaming can be... ”

“ The Cricket lover’s alternative to the ubiquitous foosball! ”

“ ...Rocket Science Takes Real Life Gaming to the Next Level. ”

Play anywhere, anytime!
