

Eventdex is a mobile first event management apps company which has a suite of event apps that include mobile based Lead Retrieval App, One on One MatchMaking App, Registration Services and Attendee Check-in App. All the Apps run on iOS and Android devices and accompanied by online cloud portal built on Force.com platform. We are a one stop shop for all your event management needs.

Eventdex

A simple and user-friendly platform that creates events in minutes and includes features to collect data and make payments.

BoothLeads

A unique lead retrieval and QR code scanning app for exhibitors at trade shows, conferences, consumer shows and other events.

ScanAttendee

An event check-in app for mobile devices. From validating tickets to analyzing attendance data afterward, ScanAttendee is invaluable.

MatchLeads

A business matchmaking app that helps buyers and sellers schedule one-to-one meetings to cement potential business opportunities.

Find My Leads

A business networking app that helps you identify, locate and track potential leads in a crowd of attendees at an event.
