THE VISION OF **ONE GOD - ONE DAY - ONE AFRICA**

36 Years ago, God gave Jennifer Wilde a vision of simultaneous crusades taking place in every country on the continent of Africa. One God - One Day - One Africa is the fulfillment of that incredible vision.

Working together with Churches and Ministries:

For one week, with the partnerships of multitudes of churches and ministries from all over the globe, Gospel Crusades will be held throughout all of Africa. We are inviting Churches and Ministries from America, Europe, South America and around the world to participate by adopting a city or even a country and with the help of 1GDA, hosting a crusade there.

Mega Crusade

On the final night of the campaign, for about 20 minutes, every crusade in every nation will be joined together via satellite and jumbo TV screens for a time of Continental prayer and encouragement.

- This will be an historic, epic event that will be broadcast live on GMO (Global Media Outreach), which has had up to a million hits a day seeking to know Jesus. It will also be on television, radio and recorded to be on sim cards which will be, along with the Jesus film and the Bible (or at least the Book of John), passed out to the remote villages of all nations in Africa, translated into 5 languages, by "boots on the ground" such as Campus Crusade, YWAM, etc. These will have the new technology that prohibits users from deleting and changing content. Small radios will also be given to village leaders to be able to hear the live broadcast.
- This will be promoted in the media in all African nations so that all peoples, religious, NON-RELIGIOUS, rich, poor, young, old, etc. will turn their TV's, radios, Internet, etc. on to follow it. It will be so inspirational, exciting and attractive that no one will want to miss it! We will make this crusade a Celebration of Africa involving top African sports, entertainment and political celebrities.
- Not only will it be broadcast on a continental level (on the large international radio and TV networks), but also on the local networks of each nation to reach the largest audience possible and to make part 3 of the Vision possible.

National Crusades

In each nation there will be at least one National Crusade. This will include well known singers, preachers, resources and languages to reach people in their own languages.

- 1GDA is meeting with top Christian leaders of every nation to create the infrastructure for the National Crusades. This will include the organizing, promoting and broadcasting of each National Crusade.
- 1GDA will also hire and train an assistant/supervisor for each National Crusade to assist the local leaders and adopting ministries in accomplishing all crusade activities within each country.
- 1GDA will be providing the funds to secure the crusade grounds, sound system, security and other basic necessities of the crusade. The Adopting Church or Ministry will raise the balance of the necessary finances.

Hosting broadcasts of the crusade events in many towns and villages throughout Africa

- Every church in Africa, even in the most remote villages, can host a Radio/TV/Internet Broadcast of the Mega Crusade event so that millions from their communities can be invited to attend and be given an opportunity to receive Christ.
- Promotional and invitational materials will be distributed to all African Pastors at training events to be held in every major city/town within Africa. The National Supervisors will be pre-trained to run the training events and distribution of the materials to prepare the churches to host the broadcasting of crusades.

FOLLOW-UP and NEW CHURCH PLANTS...

...will be done by locals and participating Churches, such as Saddleback Church's Africa Initiative and GMO's individual follow up on the Internet. Also with other participating ministries and Churches, including all different denominations as long as they are Christian!

WE BELIEVE IN...

The one true God who lives eternally in three persons - the Father, the Son, and the Holy Spirit.

The love, grace, and sovereignty of God in creating, sustaining, ruling, redeeming, and judging the world.

The divine inspiration and supreme authority of the Old and New Testament Scriptures, which are the written Word of God fully trustworthy for faith and conduct.

The dignity of all people, made male and female in God's image to love, be holy, and care for creation, yet corrupted by sin, which incurs divine wrath and judgment.

The bodily resurrection of Christ, the first fruit of our resurrection; His ascension to the Father, and His reign and mediation as the only Savior of the world.

The justification of sinners solely by the grace of God through faith in Christ.

The personal and visible return of Jesus Christ to fulfill the purposes of God, who will raise all people to judgment, bring eternal life to the redeemed and eternal condemnation to the lost, and establish a new heaven and new earth.

AID FOR AFRICA

While 1GDA's primary focus is evangelism, we are also organizing a significant humanitarian effort.

So how does this work exactly?

The Breakdown:

A. The Song

We are currently in the process of creating a song in the style of We Are the World, which was written in the mid 80s and raised 63 million dollars for Africa at the time. Our plan is to use today's top Christian and country artists to write and record an original song and generate even more interest and donations. Please note that while we are using a similar model, we are not affiliated with the creators or singers of We Are the World.

B. The Organizations

We are very carefully hand picking reputable, nonprofit organizations that are currently working in Africa and partnering with them to distribute 100% of what is raised through the song. Each organization is categorized into one of eleven groups:

- Water Wells
- Orphanages and Children's Homes
- Disaster Relief
- Education and School Building
- Medical Aid and Hospital Building
- Shoe Donations
- Food Distribution
- Bible Translation
- Anti-human Trafficking Efforts
- Youth Empowerment Programs
- Women's Empowerment Programs

C. The Effect

Everything we do is thoroughly vetted and our goals and intentions are always in line with Christian values such as honesty, integrity, and respect. We fully understand that even with the best intentions, aid can sometimes have unforeseen, negative effects. We are selecting partners that work closely with the local communities and make every effort to negate these effects and ensure we are only helping, never hurting.
