

Rilakkuma™

ABOUT RILAKKUMA

Ever since its merchandise first went on sale by San-X in 2003, the Rilakkuma character has enjoyed immense popularity especially among women. After being featured in many merchandising and industry campaigns, it is now widely recognized both in Japan and abroad. To mark its 15th anniversary, dwarf now brings to bear its world class stop motion animation skills to produce the first animated series featuring Rilakkuma.

Relax & Recover Hydrating Sheet Mask *Deliver nutritious hydration for naturally glowing skin*

Relax with Rilakkuma's sodium hyaluronate moisturizes for glowing, smooth skin. This mask is designed to refresh your skin, leaving it plump, supple, and dewy.

Key Ingredient

Hydrocolloid

A powerful humectant, hyaluronic acid can hold many times its size in water to deliver necessary hydration to the skin. It works to revitalize the skin's outermost layers so they can retain more moisture, leaving your skin feeling softer and smoother.

How to Use

1. Wash your face to remove makeup and any environmental toxins.
2. Gently unfold mask and place on your face, adjusting the eyes, nose, and mouth openings as necessary.
3. Relax for 20 - 15 minutes with the mask in place.
4. Remove the mask from your face and discard.
5. No need to rinse. Massage remaining product into your face and neck.

Blemish Protection Patch with Hydrocolloid

Hydrocolloid blemish spot treatment

The drug-free Blemish Treatment Patch is formulated with hydrocolloid to create a protective barrier from bacteria and debris. It helps to reduce inflammation and redness while absorbing pus and oil. It blends in with skin for daytime and overnight use.

Key Ingredient / Material

Hydrocolloid

Bandages treated with hydrocolloid are extremely absorbent. The hydrocolloid material absorbs impurities from blemishes and turns white as it does so to show that it works.

How to Use

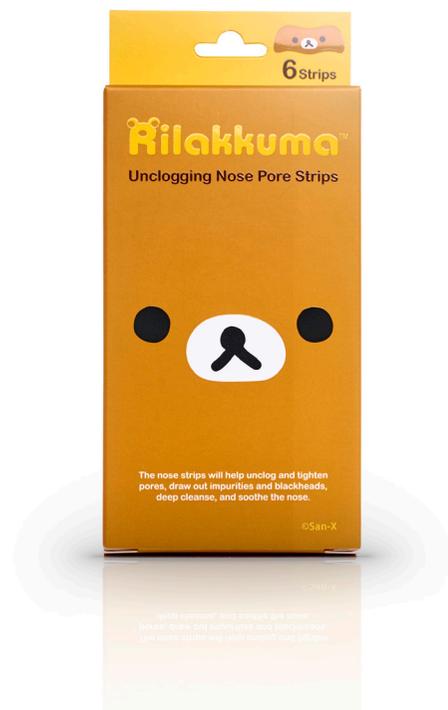

1. Cleanse and dry the skin and wash hands.
2. Remove the patch from film and apply directly over the blemish.
3. Replace the patch, if needed, when it turns white. (Indicating full absorption and secretion) Approximate, use time 8-6 hours.
4. If desired, apply makeup over patch.

SRP: \$6.00 | 24 Patches (11mm x 12Patches + 14mm x 12Patches)

Unclogging Nose Pore Strips

Draw out excess sebum and blackheads for smoother skin

The nose strips are enhanced with charcoal powder to help deep cleanse the skin by drawing out impurities and blackheads while witch hazel will potentially tighten the pores to decrease oil secretion. Rose extract and allantoin will help soothe, calm, and heal the nose after exfoliation.

Key Ingredient

Charcoal Powder

Charcoal is an extremely absorbing ingredient, making it popular in blemish-fighting skincare products. When applied topically, activated charcoal draws out bacteria, dirt, and other blemish-causing impurities.

Witch Hazel

Natural tannins in witch hazel make it an astringent, great for toning the skin and tightening and minimizing the appearance of pores.

How to Use

1. After washing your face, thoroughly wet your nose. It will not stick to a dry nose.
2. With dry hands peel off the strip from plastic liner.
3. Apply to nose area, smooth side down, pressing down to ensure good contact with skin.
4. Leave on for 15 minutes until stiff to the touch.
5. Slowly and carefully peel off starting at edges, pulling toward center. Any residue left on skin is easily removed by rinsing

Under Eye Recovery Mask

Brighten and de-puff under eye circles

The Rilakkuma under eye treatment is enriched with hyaluronic acid and rose extract to keep the skin plumped and moisturized while niacinamide will help brighten the dark circles. Collagen and adenosine will help lift the skin and diminish the appearance of fine lines and wrinkles to give the under eyes a youthful appearance.

Key Ingredient

Rose Extract

An extremely hydrating ingredient, rose extract is packed with vitamin c to help nourish the skin while calming and brightening the skin's complexion.

Niacinamide

Also known as vitamin B3, niacinamide is an extremely popular anti-aging ingredient that can aid in fixing uneven skin tone, plumping fine lines, and brightening dull skin.

Collagen

A protein that already resides in healthy skin, collagen is essential to healthy, firm skin. This anti-aging ingredient plumps up fine lines and wrinkles while improving the skin's elasticity.

How to Use

1. Wash your face to remove makeup and any environmental toxins.
2. Gently remove the eye masks from the pouch and place them under each eye.
3. Relax for 20 - 15 minutes with the masks in place.
4. Remove the masks from under your eyes and discard.
5. No need to rinse. Massage remaining product around the eye area.
