DAYTON, OH: Trusted immediate medical care provider, AccessMD Urgent Cares, announces their donation of time and **influenza vaccine** during the last crucial months of flu season, aiming to help Dayton area residents and their families **fight influenza A and B viruses**. Recent patients raved about their experience with quality and caring AccessMD staff:

"I was very sick with the flu and the nurses, doctors, and support staff all provided me with excellent care! They were also super friendly! I was in and out quickly, and I was even able to fill my prescriptions at the on-site pharmacy for a very reasonable price. Highly recommend!"

"I had an excellent experience at urgent care. All of the staff were great and very friendly. But most of all was the doctor, you could tell that she really cared, and very sincere. I want her to be my primary care physician. Thanks to all."

Each Sunday from 9am to 12pm beginning March 24 and ending May 27, the first 10 patients at each location will receive a **free flu shot**, and every patient thereafter will receive theirs for the discounted price of \$15. Participating AccessMD Urgent Care locations include:

1010 Woodman Dr. Dayton, OH 45432 | 937-528-2288

8210 Springboro Pike Dayton, OH 45342 | 937-528-2286

1403 Wagner Ave. Greenville, OH 45331 | 937-459-5389

About AccessMD Urgent Cares

AccessMD Urgent Cares are fully equipped urgent care and occupational health centers. Each Care Center is a full service facility with on-site X-rays, labs, EKG's and medication dispensing. This includes treatment for all minor illnesses, such as colds, flu, coughs, infections, minor injuries, minor fractures, lacerations, minor burns, and many other non-life-threatening illnesses. Our experienced physicians and staff provide the compassion and quality care you deserve to help you start feeling better fast.

There are many benefits to choosing AccessMD Urgent Care for you and your family. We have centers conveniently located close to your home or business to provide you quick access. Our staff is dedicated to providing minimum wait times, and do not require appointments. AccessMD also accepts all major insurances and offers affordable self-pay rates.

AccessMD Urgent Care is there for your future health care needs. We are committed to providing reliable, convenient, and quality care to all of our patients.
