

formulations that produce  
**RESULTS**

Harness the power of the purest hemp derived  
CBD in the fight against skin imperfection.  
Superior formulas provide amazing results and  
stunning improvements in skin health.  
Innovative ingredients combined with  
the anti-inflammatory benefits  
of cannabidiol hemp oil.

*a different skincare*  
**EXPERIENCE**

ExPürtise products contain clinical levels  
of age-defying active ingredients, but are free of  
controversial ingredients such as parabens,  
sodium lauryl sulfate, ethanolamines, nano  
particles, synthetic colors and fragrances.

Experience the purest, most results driven  
skincare products available.

**EFFECTIVE ANTI-AGING CBD  
POWERLUXE MOISTURIZER**

A balanced moisturizer providing deep long-lasting hydration that visibly nourishes and strengthens dehydrated skin for a smoother, softer appearance. This emollient rich moisturizer has a high concentration of essential fatty acids that instantly relieve dry skin and help retain moisture to promote a healthy glow.

**EFFECTIVE ANTI-AGING CBD  
HYALURONIC ACID SERUM**

This serum firms, tones and revitalizes skin while helping to stimulate collagen activity. High concentrations of cannabidiol hemp oil targets inflammation and regulates oil to return sebum production to homeostasis, leaving the face brightened, nourished and hydrated.

**EFFECTIVE ANTI-AGING CBD  
ANTIOXIDANT CALMING MASK**

A very calming mask that draws out impurities and revitalizes dull aging skin by promoting cell turnover and regeneration. Instantly rejuvenates the topmost layers of skin while antioxidants defend against harmful environmental damage.

**EFFECTIVE ANTI-AGING CBD  
MARULA FACIAL OIL**

This marula oil infused with cannabidiol hemp oil calms inflammation, sunburn, redness and sensitivity without clogging pores. Marula oil is perfect for all skin types and improves overall texture while promoting even skin tone.
