NEW FAMILY ICE SHOW BRAND TOURS NATIONWIDE

February 2020- April 2020 USA TOUR

Nashville, TN November 14, 2019 — After a very successful tour of “Peter Pan & Friends On Ice”, Ice Creative Entertainment Group is launching their newest IP: FairyTales On Ice!™. Like Peter Pan & Friends On Ice; FairyTales On Ice features a new all original soundtrack, custom extravagant costumes, over the top set pieces, and world champion ice skaters, cirque performers, and live singers.

“Fairytale On Ice is our newest creative venture featuring some of your favorite fairy tale characters such as Peter Pan, Cinderella, Rapunzel, The Little Mermaid, The Ice Queen, Aladdin, and Little Red Riding Hood to name a few with a modern twist of magic and music to each story. The reason I truly believe in this venture is because each year the featured stories will change, thus creating a yearly tradition for our audience to love year after year!” Says producer Alex Wilfand.

This year's Fairytale On Ice will be featuring the spinning tales of Peter Pan & Cinderella. The production will be performing nationally from February through April 2020 in the aforementioned cities (with more cities being added for 2020 and now 2021):
